KILLARNEY
SCHOOL OF ENGLISH

LEARN ENGLISH. MAKE INTERNATIONAL FRIENDS. DISCOVER IRELAND.

AGES 13-17 • 21 JUNE – 4 SEPTEMBER 2027

Individual teenage summer programme • Killarney, Ireland

Welcome to Killarney

Learn English. Make friends. Discover somewhere extraordinary.

ENGLISH IS THE SHARED LANGUAGE

At our small, family-run school, teenagers meet classmates from different countries. For students from less commonly represented countries, English may become the natural shared language for new friendships and daily communication.

Small classes. International friendships. More English every day.

Nationality mix varies each week and cannot be guaranteed.

A SUMMER TO REMEMBER

Morning English, afternoon adventures and the beautiful Killarney National Park.

Two Ways to Study

Choose the course that suits your family arrangements.

GE1 • General English

€350 per week
15 hours of English lessons.
Monday–Friday, 10:00–13:00.

GE3 • English + Activities

€550 per week
15 hours of English + 15 hours of supervised weekday activities; Saturday excursion.

WHO CAN BOOK WHICH COURSE?

GE1: for teenagers staying with parents or responsible family members who supervise them outside class. GE3: required for teenagers travelling independently without parents. Activities cannot normally be booked separately.

Summer 2027: 21 June–4 September. One or more weeks, subject to availability.
Bank holiday: On Monday 2 August 2027, an alternative activity replaces normal lessons.
Host family: €300 per week, charged separately from course fees.

Small Classes. Real Progress.

An encouraging place to speak English with confidence.

Maximum 12 students per class • Average approximately 8–10 • Six levels from Beginner to Advanced, subject to enrolment.

ENGLISH THAT STUDENTS ACTUALLY USE

Students practise speaking and listening through discussions, pair work, role-plays, group projects, games and everyday communication. Reading, writing, vocabulary, pronunciation and grammar are developed in context.

PLACEMENT AND ACHIEVEMENT

A short written test before arrival and spoken assessment on the first morning help us place students appropriately. Placement can be reviewed where necessary. Students receive a course certificate.

Adventure Beyond the Classroom

Explore, move, laugh and practise English with new friends.

AFTERNOONS IN THE OUTDOORS

The GE3 programme normally runs Monday–Friday, approximately 14:00–17:00, with organised and supervised afternoon activities.

Nature & Adventure

Cycling, swimming, orienteering, team sports and outdoor challenges.

Irish Culture & Excursions

Boat trips, local sightseeing, Irish dancing and a full-day Saturday excursion.

Activities and excursions are examples, not a fixed weekly schedule. They vary with weather, availability and the week of attendance.

A Warm Irish Welcome

Host-family life extends English learning beyond the classroom.

AN IRISH HOME FROM HOME

For teenagers travelling independently, we recommend carefully selected Irish host families. Family life offers daily opportunities to practise English and experience Irish culture.

Full Board

Breakfast, packed lunch and evening meal, with accommodation and meals seven days a week.

Support When Needed

School assistance if an accommodation concern arises.

Host-family accommodation: €300 per student per week, charged separately. We aim for a welcoming placement; a host family with similarly aged children cannot be guaranteed.

Independence & Reassurance

A caring school experience for teenagers and families.

SUPPORT FOR STUDENTS TRAVELLING ALONE

We introduce individual teenagers to one another and use a managed WhatsApp group with the Teen Supervisor and school management for essential information and support. Teachers and activity supervisors support students during organised school activities; host families care for students outside those hours.

Independence for teenagers. Reassurance for parents.

The school does not provide continuous 24-hour supervision.

WHY KILLARNEY?

A welcoming Irish town surrounded by lakes, mountains, forests and outdoor adventures.

Teenagers study separately from the adult and younger-child programmes.

YOUR KILLARNEY ADVENTURE STARTS HERE.

Tell us your child’s age, approximate English level, preferred dates, whether they will travel independently and if host-family accommodation is required.
